LAX Traveler Services

New Application Process Introduced for Visa Waiver Program

The U.S. Department of Homeland Security announced eligible citizens or nationals from all Visa Waiver Program (VWP) countries must obtain approval through the Electronic System for Travel Authorization (ESTA) prior to traveling to the United States under the VWP. For more information, click http://www.cbp.gov/xp/cgov/travel/id_vis/esta/

Seven Countries Added to Visa Waiver Program

The U.S. Department of Homeland Security announced the addition of seven countries authorized to participate in the Visa Waiver Program (VWP): Czech Republic, Estonia, Hungary, the Republic of Korea, Latvia, Lithuania and Slovakia. For more information, click http://www.dhs.gov/xnews/releases/pr_1226611203693.shtm

Gladstone's 4 Fish Seafood Restaurant Opens in Terminal 3

Gladstone's 4 Fish seafood restaurant, a Southern California culinary landmark in Malibu, has opened in Terminal 3 beyond passenger security screening. Known for having the largest selection of fresh seafood on the U.S. west coast, Gladstone's at LAX is the first airport location for the restaurant. For information, click <http://www.lawa.org/PopUpNews.cfm?newsID=1113>

Air Service News

V Australia Begins LAX-Sydney Service February 27

V Australia begins non-stop service between LAX and Sydney February 27. The airline will operate Boeing 777-300ER aircraft, considered one of the most fuel-efficient, quiet and "green" commercial aircraft available. For more information, click <http://www.vaustralia.com/>

Virgin America Begins LAX-Boston Service February 12

Virgin America now offers daily non-stop service between LAX and Boston with in-flight WiFi service. For more information, click

<http://www.virginamerica.com/va/home.do>

United to Add Transcontinental In-flight Internet Access

United announced it plans to offer passengers in-flight wireless internet capabilities in the second half of 2009 among Los Angeles, San Francisco and New York flights for a flat fee. For more information, click
