Vehicle Impound Hearing

Los Angeles Airport Police (LAX PD) provides a hearing process for individuals who believe that their vehicle was improperly impounded and wish to contest the impoundment of their vehicle. An Impound Hearing Request form may be obtained by contacting the Impound Hearing Office at (424) 6464-5604.

The purpose of the Impound Hearing is to determine whether LAX PD had probable cause to impound your vehicle, i.e. whether the impounding officer possessed legal authority to impound/remove your vehicle. Absent extenuating circumstances, the Impound hearing request must be received by the Impound Hearing Officer within 10 business days of the date of the Impound Notice for the request to be valid.

If the Hearing Officer determines that there was probable cause to impound your vehicle, you will be held responsible for any and all impound fees and storage charges. If the Hearing Officer determines that there was NO probable cause, you will be sent a refund by mail. Refunds are processed within 12-24 weeks of all necessary paperwork completed and returned. Any improper impound fees will be refunded to the extent of LAX PD's responsibility.

Please Note: Impounded vehicles should be retrieved from Impound as quickly as possible, as any unnecessary storage fees will be the responsibility of the vehicle owner. Also note that a **LAX Impound Hearing does not affect any related traffic violations or other criminal proceedings. Any challenges to the underlying charges must be contested in the appropriate court of law.**
